

WHO SAYS A RE-BRAND IS NO BIG DEAL?

Halliwell Landau recently re-branded to Halliwells. We also converted to a Limited Liability Partnership. We have not however changed our position as one of the region's premier corporate law firms.

As an integral part of the North West business community, we drive deals forward and make them happen, working with an extensive range of market leading clients regionally and nationally.

To find out more about how our solution-driven approach can benefit your business, please contact us on our new firm wide number
